Swaging Kit w / Rigging Tool Bag

THSC600KIT

Reliable rigging gear is hard to find and this is especially true for tool bags large enough to hold the tools of the trade. Fehr would like to introduce our 26" tool bag, designed with extra length to accommodate the tools used by rigging professionals.

Sold individually and as a swaging kit this bag will accommodate a 26" swaging tool with hardware or a come-along and grips.
